

DONATE BOOKS **For Kids**

Literacy is crucial for kids to succeed at school, have better job prospects and better health, and reduce their risk of involvement with the justice system. But not all families have easy access to books.

Please help us change that by donating NEW or GENTLY used books to build the home libraries of children who have an incarcerated parent at the West Contra Costa County Detention Center.

Yes! Books for ages birth - early teens | Contemporary | Culturally competent | Have potential to spark curiosity, strength or a smile.

Bilingual books welcomed.

No! Old or torn books | Faith-based | Recycle-bin worthy
