(co-sponsored with UC Pride)

Tues, Feb. 11th
Noon-1:30pm
Franklin Lobby One

Please join BSFO and UC Pride for a documentary about Bayard Rustin, a master strategist and the organizer of the 1963 March on Washington.

Rustin was instrumental in molding Martin Luther King, Jr. into an international symbol of peace and nonviolence.

But he was also silenced and imprisoned due to being an openly gay man.
