About the Facilitator:

Laura Chavez Hardy is the Associate Director of Admissions Operations at UCOP. Her role is to manage the admissions application and systemwide processes and programs such as the Analytical Writing Placement Exam, Eligibility in the Local Context, and the UC Application Center (the central call center). Prior to coming to UC, Laura worked in admissions at the University of Chicago for several years.

About the Series:

As OP staff navigate the UC application and financial aid process with their children, family members and communities at large, the OP Staff Assembly has organized a series of workshops facilitated by OP experts. The goal of this series is to help OP staff get the answers to all the important questions and successfully navigate the UC application and financial aid process.
