#### About the Facilitators:

**Gretchen Harris** began her career in 1996, encompassing work in admission, academic advising, teaching, and program management in all three systems of education in California. Prior to joining UCOP, Gretchen worked in undergraduate admission at both UCLA and UCSD.

**Angelica Moore** joined UCOP in 2020 bringing with her 22 years of experience in higher education admissions. Sixteen years were served at Saint Mary's College as Director of Transfer Student Admissions, culminating her tenure as Dean of Admissions. Angelica is a first generation college graduate.

#### About the Series:

As OP staff navigate the UC application and financial aid process with their children, family members and communities at large, the OP Staff Assembly has organized a series of workshops facilitated by OP experts. The goal of this series is to help OP staff get the answers to all the important questions and successfully navigate the UC application and financial aid process
