

BSFO Health and Wellness Presents:

Diabetes Awareness

Please join us for our Diabetes Awareness Panel Discussion, where experts will address preventive care and share their insights on the latest advancements in diabetic prevention, detection, treatment, and coping services available to those living with diabetes. We look forward to engaging with the panelist to gain valuable insights and support to promote proactive health practices.

Our panelist:

Rev. Dr. Teoma LaShawn

Dr. Mulala Liseli

Ashley Bergeron, PT, DPT

Tuesday, November 5, 2024 | 12:00 – 1:00 P.M.
