"The *Tales from the Chinese Zodiac* books are a great gift idea for friends and family"  
 — National Association of Asian American Professionals

"Practice makes perfect. That's what [*Julie Black Belt*] learns in her beginning kung fu class along with lessons about dedication and determination... a high-action story that encourages deep reflection despite the action movie look." — *San Francisco Chronicle*

"*Awesome Asian Americans* is so compellingly told and illustrated that children may be inspired to follow in the footsteps of the individuals they meet to become artists, storytellers, and scientists?" — Asian/Pacific American Librarians Association

"*Sora and the Cloud*, Felicia Hoshino's rich, clever and appealing book... it is itself a lovely tribute to the joys of soaring high." — *New York Times*

"*Welcome to Monster Isle* is a children's book I would have loved to read to my own kids... It'd be a terrific gift for any creature-loving kids in your life." - Comics Buyers Guide

"*The Discovery of Anime & Manga* moves along with bright bold illustrations... Each page is a love letter to manga, making this a delightful read for children & parents." - *Sampan*

"I usually hate 'cuteness' but [*The Octonauts*] book breaks through to even my cold dead heart. I'm considering making friends with people who have kids, just so I have an excuse to buy, like, a zillion copies." - *San Francisco Chronicle*

"the crowning work by Immedium, in our humble estimation, is *Sid the Squid: and the Search for the Perfect Job....*" — *Reading to Know*
