

Spill the tea...with

Please come celebrate Asian American and Pacific Islander Heritage Month 2025 with us by participating in a sampling of teas from various AAPI countries and learn the rich history behind each one.

Browse books from Asian American authors, which will be provided for purchase on site from the Asian American Curriculum Project, Inc. There will also be handmade items for sale from our very own UCOP colleague, Jenny Ngo.

Franklin Lobby
Wednesday, May 14th
10am-12pm
